Father Funcken Council No. 1504

Euchre Tournament

Scoring Points

We will be playing 10 games with 8 hands per game.

- If you and your partner make it (3 tricks) – 1 point
- If you Euchre the opposite team – 2 points
- If you and your partner get all 5 tricks – 2 points
- If you go alone and get 3 tricks – 1 point
- If you go alone and get Euchred, the opposite team gets – 3 points
- If you make a lone hand, the person who made it gets 5 points, and the partner gets 4 points

Note: Put your partner's name on the score sheet and have the other team verify the score at the end of the round.

Payout for the Winners

Please make sure you tally your score and lone hands at the end of the tournament.

The payout is based on the number of full tables we have.

If there is a tie, the winners will have the choice to cut the full deck of cards or split the winnings.

If the cards are cut: the high card (A high) will win and the low card will move to the next level, if any. If it is the last level, the high card wins and the low card does not advance.

If you have any questions or need answers, please feel free to ask!
